

# SMOKE & MIRRORS: DRIVING UNDER THE INFLUENCE OF POT, ALCOHOL & OTHER DRUGS

- » National Roadside Survey Shows Drugged Driving is as Widespread as Drunk Driving
- » One Third of Fatally Injured Drivers Recently Used Drugs
- » More Than Half of Motor Vehicle Crash Drivers Tested Positive for Drugs Other Than Alcohol in a Level-1 Trauma Center
- » 30% of Students Reported Driving After Using Alcohol or Other Illicit Drugs or Riding With a Driver Who Had

An honest discussion about today's drug & alcohol problems. Cutting to the core of the issue, Dr. Paul Chabot provides an honest presentation to help students fully understand substance abuse related use and violence on college campuses and how to make smart decisions.

In college, Paul was a Fraternity Founder and President; Resident Hall Advisor; College Radio DJ; University Ambassador; New Student Orientation Advisor; Student Conduct Judicial Officer; awarded Greek Man of the Year and Student Leader of the Year. In the community, Paul served as a University Police Officer.
