

TIME TO SAVE LIVES

An honest discussion about today's drug & alcohol problems. Cutting to the core of the issue, Dr. Paul Chabot provides an honest presentation to help students fully understand substance abuse related use and violence on college campuses and how to make smart decisions.

In college, Paul was a Fraternity Founder and President; Resident Hall Advisor; College Radio DJ; University Ambassador; New Student Orientation Advisor; Student Conduct Judicial Officer; awarded Greek Man of the Year and Student Leader of the Year. In the community, Paul served as a University Police Officer; White House Advisor; Naval Intelligence LT Commander and Iraq War Veteran.
